Section III. Authorized capital of the Company.

Procedure of its increase or decrease. Shares, bonds and other securities of the Company

20. The joint-stock company "Uzbekistan Railways", established on the basis of a state-owned enterprise, is the legal successor of all available property, cash and other financial resources, as well as debts that are held by a state enterprise at the time of the transformation.

21. The initial value of the authorized capital was determined as a result of the assessment of the Company's property, pursuant to the Resolution of the Cabinet of Ministers of the Republic of Uzbekistan of March 3, 2001 No. 108, Order No. 239k-PO of the State Property Committee of the Republic of Uzbekistan of August 20, 2001.

22. The amount of the authorized capital is 3 828 948 859 330 UZS divided into 8 904 532 231 ordinary shares.

23. The nominal value of a common share is 430 UZS.

24. The Company's shares are the property of the state and are not subject to sale or other alienation, cannot be pledged, and also cannot serve as collateral for the issue of secondary securities.

25. The authorized capital of the Company can be increased by placing additional shares.

26. The decision to increase the authorized capital (the price of the placement of shares, the approval of the issue prospectus and the decision to issue shares) and on making appropriate changes to the Company's Charter shall be made by the sole shareholder of the Company, without holding a meeting of the Company's Board.

27. Additional shares may be placed only by private subscription to the state, unless otherwise established by law.

28. Additional shares shall be placed within the period established by the resolution on their issue, but not later than one year from the date of state registration of the additional issue of shares.

29. The Company has the right to issue an additional 11 403 101 875 ordinary shares with a nominal value of 430 UZS, for a total of 4 903 333 806 250 UZS, to increase the authorized capital.

30. When shares are issued and placed within the total number of announced shares, paid-up shares are transferred to the authorized capital of the Company.

31. The authorized capital of the Company can be reduced by reducing the nominal value of shares or reducing their total number, including by acquiring a part of shares by the Company, with their subsequent cancellation.

32. The decision to reduce the authorized capital and introduce appropriate changes to the Company's charter Association is adopted by the sole shareholder of the Company, without holding a meeting of the Company's Board.

33. The Company creates a reserve fund of the company in the amount of 25% of the authorized capital.

34. The reserve fund of the Company is formed by mandatory annual deductions from net profit, until it reaches 25% of the authorized capital.

35. The amount of annual allocations to the reserve fund is at least 5% of the annual net profit of the Company.

36. The reserve fund of the Company is used in accordance with the procedure established by law.

37. Other funds may be created by decision of the sole shareholder of the Company.

Section IV. Rights of the Company

38. In order to fulfill its statutory tasks and functions, the Company has the right:

- independently determine the volume of sales of goods, works and services, based on the needs of the economy and the population of the Republic of Uzbekistan, on the basis of state orders and direct contracts (contracts);
